NILMONI MUSTAFI

FULL STACK DEVELOPER

Full Stack Developer with 2+ years of professional experience developing production-grade Laravel and Vue.js applications including POS, ERP, HRM, Ecommerce and Payment Gateway integrations. Previously spent 15 years in Telecom Engineering, bringing strong analytical, troubleshooting and large-scale systems experience.

Professional Experience

Full-Time Family Caregiver | June 2025 – Present

- Took a planned career break to provide full-time care for my mother following a stroke. During this period, I continued to strengthen my software development skills by building Laravel and Vue.js applications, RESTful APIs, authentication systems, and deployment projects.

Projects

- Inventory Management System (Laravel + Vue.js): Backend APIs and SPA frontend
 - <https://github.com/bundleCode/inventory-backend>
- Online Job Portal: Laravel-based system
 - <https://github.com/bundleCode/lara-job>

Full Stack Developer | Amana Group | Jan 2022 – Aug 2024

- Designed and developed full-stack web applications supporting diverse business needs.
- Built a restaurant ecommerce and POS system handling online/offline orders, inventory, suppliers, and reporting.
- Integrated SSLCommerz payment gateway, SMS gateway, and real-time notifications using Pusher.
- Customized and enhanced HRM systems including attendance, payroll, leave management, and reporting.
- Delivered and maintained multiple live production websites with ongoing feature improvements.

Projects

- Ecommerce restaurant web application with POS hardware integration:
 - <https://amanafoodville.com>
- HRM Application: Laravel-based system
 - <https://hrm.amanagroupbd.com>
- Corporate WordPress Themes Development:
 - <https://amanagroupbd.com>
 - <https://amanaagrobd.com>
 - <https://ailfood.net>
 - <https://secretcuisines.com>

Prior Professional Experience

- Telecom Engineer | Huawei Technologies (ROBI Project) | Sept 2024 – June 2025
- Telecom Engineer | Various (Huawei, Digicon, OneTel) | Oct 2006 – June 2021
- Faculty Member | IT Bangla Ltd | Jan 2005 – Oct 2006
